Dear Sirs,

Aldeby Parish Councillors have asked me to state on their behalf that Aldeby Parish Council is fully in support of Don Wiltshire's recent email to you, concerning the above application for the Solar Park in Aldeby and the associated real fears of the community around the existing proposals for the routes of construction traffic if the project is approved.

Kind regards,

Anna Godsave

Aldeby Parish Clerk  
12 Hampton Avenue  
Thurlton
