Comments:

I would like to express my concerns regarding this development. As well as being situated in an area designated as AONB, I feel the extra traffic will cause congestion on the A148. Having had a business in Thetford, I have seen the effects of traffic jams caused by cars queuing to enter the Recycling Centre. This was a regular occurrence in Thetford along the Mundford Road. I can honestly say that the A148 is a much more dangerous road than the Mundford Road in Thetford. I would urge the relevant parties to reconsider these proposals. This is an ill conceived and dangerous proposal.
