Subject: New comments for application FUL/2023/0005

Categories: BSA

New comments have been received for application FUL/2023/0005 [REDACTED]

Comments:

I think the new site is a good idea as the existing site is too small for the ever growing population in the area. The new site has been well designed for the ever flowing traffic that blocks up the lay-by currently. The original waste centre has been in position for many years and now has out grown its space, it's only moving across the lay-by, not sure what all the fuss is about with people contesting the new site.
