New comments have been received for application FUL/2023/0005 [REDACTED]

**Comments:**

I support this application whole heartedly.

We need more recycling centres in Norfolk, to encourage recycling and prevent fly tipping. This site is the perfect location being out of the way of residential areas and close to a main, easy access road, meaning no impact on smaller residential roads or noise to the built up residential areas. Further its services a large rural community without the need to travel to far afield to other locations within Norfolk.
