Comments:

I'm fully in support of this application, it is a replacement directly over the road from the current site, equal distance from Holt and Cromer. Unfortunately there will always be the nimbys but this centre is already there, away from urban developments in an area surrounded by 2 large working quarries each less than 500 yards away. Obviously our recycling centres need to be able to cope with the new demands we have on them and a reuse shop is an excellent idea. I hope sense prevails and planning permission is granted asap.
