Subject: New comments for application FUL/2023/0005

New comments have been received for application FUL/2023/0005 [REDACTED]

Comments:

NCC's alterations are well received, although I had no issue with the previous application. I can't comprehend the torrent of objections that has arisen when the site is simply moving 20 metres from one side of the road to the other! It will enable those of us who want to save the planet recycle more everyday refuse, in a more suitable space where it accomodates the needs of the surrounding areas. It will be larger than the existing site which is too small for the expansion of the local area over the last few decades. With regards to the ridiculous objection of the [REDACTED] to my knowlege [REDACTED]

I hope the 'NAYSAYERS' wake up and instead of bleat on about AONB think about whats best for our children in the future and PROTECT our environment by recycling and being green and making a SUSTAINABLE FUTURE!!
