Date: November 2023

**Contents**

1	Introduction .....	4
1.1	Overview .....	4
1.2	Key Features Plan.....	4
2	Drawings .....	4

## **1 Introduction**

### **1.1 Overview**

- 1.1.1 This drawing presents the layout of the proposed West Winch Housing Access Road (WWHAR) scheme in relation to the surrounding area.
- 1.1.2 This drawing shows the proposals on a single sheet over Ordinance Survey mapping which shows the proposals in relation to the villages of West Winch, North Runcton and the existing road network.
- 1.1.3 This drawing shows the highway proposals only and does not show the proposed housing development or any landscaping associated with the scheme.
- 1.1.4 The drawing included in this pack is as follows;

### **1.2 Key Features Plan**

- 1.2.1 Figure 1 shows the highway scheme proposals and red line boundary together, which is annotated to show the key features.
- 1.2.2 The key features annotated include the main aspects of the highway scheme, the interfaces with the existing road network, the proposed junctions to serve the housing development and access arrangements for adjacent properties.

## **2 Drawings**

- 2.1.1 The drawing described above is provided on the following page.
