**Planning Application :** DIS/2024/0010

**Proposal :** Discharge of condition 17 (submission of a Noise Assessment to determine the level of noise relating to the Air Source Heat Pumps) of planning permission reference FUL/2022/0057. : Director of Children's Services

**Location :** Wymondham Silfield Primary School, Land South Of Rightup Lane, , Silfield,

I write on behalf of the Environmental Quality Team in reply to your consultation regarding the above planning application. Having reviewed the application documentation, we have no objections to the discharge of condition 17 based on the fact that the equipment detailed in the report is used. If any changes of equipment are proposed then the report would need to be reviewed to take into account of the change to the equipment.

Regards
