Dear Norfolk County Council Planning Department,

I refer to your letter dated 11 April 2024 in which you seek our comments on the title Planning Application.

We note that the development lies below or beyond the volume of protected airspace that surrounds Norwich Airport and that it does not lay within the 13Km bird survey circle shown on the aerodrome safeguarding map.

Therefore, from a safeguarding viewpoint, this development will not provide a significant collision risk to aircraft operating in the vicinity of Norwich Airport or interfere with our surveillance systems.

We do not need to be a statutory consultee for any future planning applications on this particular site.

Yours faithfully

Safeguarding Officer
Norwich Airport
