Dear [REDACTED]

**Weeting with Broomhill: Discharge of conditions 2 (Lorry Management Plan) and 3 (wheel cleaning facilities) of Planning Permission FUL/2022/0051**

**Land at Brandon Rail Sidings, Mundford Road, Weeting, Suffolk, IP27 0BA**

Thank you for consulting the Highway Authority (Norfolk County Council) regarding the above discharge of condition application.

As you will be aware, condition 2 was a direct request of the members of the Planning Regulatory Committee when the proposals were considered.

Although this condition was not requested by the HA, I can confirm that I have considered the information submitted and it would seem to accord with the intentions of the committee when requesting the routing condition. I will however leave it for others to provide you with a more detailed response as they see fit.

Yours sincerely
