Dear Sir/Madam

Town and County Planning (Development Management Procedure) (England) Order 2015

Non-compliance with conditions 2 and 12 of planning permission reference FUL/2020/0079, and change of use of approved restoration, to enable the establishment and use of an agricultural irrigation reservoir at Spixworth Quarry, Church Lane, Spixworth, Norwich, NR10 3PR

Thank you for your consultation on the above site, received on 25 June 2024.

I can confirm that the County Council as Lead Local Flood Authority (LLFA) has no comments to make at this time.

In providing this substantive response, the LLFA is not currently able to carry out any review of the submitted documents or give any formal advice to the LPA for this consultation. As such, it should **not** be assumed that there is no impact associated with the proposed development in relation to surface water flood risk and drainage.

Yours faithfully

Flood and Water Manager
