Dear Sophie

**ERECTION OF THREE NEW KIOSK (GENERATOR KIOSK, LV SWITCH BOARD KIOSK, AND MCC KIOSK)**

**DEREHAM WATER RECYCLING CENTRE (WRC) , RUSHMEADOW ROAD , DEREHAM**

Thank you for your consultation dated 20 June 2024. We have reviewed the documents as submitted and have no objection to the proposed development. Due to proximity to a main statutory river, there may be a requirement for a Flood Risk Activity Permit (FRAPs), we have provided further details below.

**Flood Risk Activity Permits**

The Environmental Permitting (England and Wales) Regulations 2016 require a permit or exemption to be obtained for any activities which will take place:

- on or within 8 metres of a main river (16 metres if tidal)
- on or within 8 metres of a flood defence structure or culverted main river (16 metres if tidal)
- on or within 16 metres of a sea defence
- involving quarrying or excavation within 16 metres of any main river, flood defence (including a remote defence) or culvert
- in the floodplain of a main river if the activity could affect flood flow or storage and potential impacts are not controlled by a planning permission

For further guidance please visit <https://www.gov.uk/guidance/flood-risk-activities-environmental-permits> or contact our National Customer Contact Centre on 03708 506 506 (Monday to Friday, 8am to 6pm) or by emailing [enquiries@environment-agency.gov.uk](mailto:enquiries@environment-agency.gov.uk).

The applicant should not assume that a permit will automatically be forthcoming

Environment Agency  
Iceni House Cobham Road, Ipswich, IP3 9JD.

once planning permission has been granted, and we advise them to consult with us at the earliest opportunity.

We trust that this advice is useful.

Yours sincerely
