Dear Sir/Madam,

**Discharge Of Condition 6 Of FUL/2022/0042: Proposed Liquid Waste Transfer Station  
At Land at Brickfields Way, Thetford, Norfolk, IP24 1HX**

We are applying to discharge condition 6 of the above Planning Permission at Land at Brickfields Way, Thetford.

Condition 6 states that:

*“Prior to the commencement of the development full details of external materials/finished for the buildings and external plant shall be submitted to and agreed in writing with the County Planning Authority. The development shall then be carried out in full accordance with the agreed details.”*

The proposed materials are:

- Walls and roof of the Process Building and Control Building - Caf Limited Goosewing Grey Cladding - CAF 32/200/1000
- IRSP Eurospeed Roller Shutter Doors - Goosewing Grey
- Personnel Doors – Goosewing Grey
- Permastore Tanks - BS 12B29

This information is provided in the following documents:

- Caf Limited Cladding
- Roller Shutters – Eurospeed Brochure
- Personnel Doors Plan
- Permastore Tanks Brochure
- Tanks – MSD GRP Covers
- Tank - Photographs

I trust these details are sufficient to discharge this condition but please do not hesitate to contact me if you require any further information.

Yours faithfully,

Craig Nixon
