### 1 Introduction

- 1.1.1 The below figure provides supporting visual information with regards to the main text of Appendix 1.1 (EIA Scoping Report).
- 1.1.2 The figure includes the outline / route of the proposed scheme and contains information such as the proposed alignment, proposed non-motorised user route, earthworks extent and proposed attenuation basins within the indicative red line boundary.
- 1.1.3 The figure also includes locations of new residential access and new private means of access along the proposed scheme route.
