1 Introduction

1.1 Overview

1.1.1 This set of drawings present the layout of the proposed structural intervention for the proposed Constitution Hill Underpass Extension, required as part new West Winch Housing Access Road (WWHAR) scheme.

1.1.2 Each of these drawings show the proposals on a single sheet over Ordnance Survey mapping which shows the layout and key dimensions of the structures in relation to the proposed WWHAR and existing road network.

1.1.3 These drawings show only the proposed structures, but do not show the proposed housing development, landscaping or any other associated features within the wider WWHAR scheme.

1.1.4 The drawings included in this pack are as follows.

1.2 Constitution Hill Underpass Extension

1.2.1 Figure 1 shows the proposal for extending the existing Constitution Hill Underpass as of the WWHAR scheme which also involves widening of the A47 tying-in to the eastern side of the Hardwick interchange.

1.2.2 The figure shows a plan and elevation of the underpass, including the extension. The figure also shows typical cross-sections through both the existing and extended section of the underpass.

1.2.3 The figure shows a plan and elevation of the structure with a typical cross-section through the underpass.

2 Drawings

2.1.1 The drawings described above are provided on the following pages
