1 Introduction

- 1.1.1 The below figure provides supporting visual information with regard to the main text of Appendix 1.1 (EIA Scoping Report).
- 1.1.2 The figure includes the outline / route of the proposed scheme and contains information relating to environmental constraints within the study areas of 500m, 1km and 2km respectively. The study areas are indicated on the figure by buffer zones around the proposed scheme.
- 1.1.3 The environmental constraints relate to agricultural land, noise, air quality, biodiversity, archaeology and heritage, water environment and mineral safeguarding.
