Subject: New comments for application FUL/2024/0001

Categories: BSA

New comments have been received for application FUL/2024/0001 from [REDACTED]

Comments:

This application goes against every moral and legal obligation to protect wildlife, environment, countryside and people within the area. There is no proof of benefit to resolving the congestion at the Hardwick when submitting planning for 4k homes on its doorstep. The congestion at the Hardwick is being caused by the sheer amount of traffic using the bypass to Hunstanton. how will this eliviate the congestion at QEH roundabout? and nightshill roundabout? [REDACTED]

[REDACTED] Planning has already been rejected for extensions in the area [REDACTED] due to countryside. How can this be rejected and an application for a busy road and 4k houses be OK? legal and moral grounds.

There are better areas for development countryside act.
