New comments have been received for application FUL/2024/0001 from [REDACTED]

Comments:

Thank you for consulting me on this application. As only a very small part of the edge of the scheme is in flood zone 2 as indicated in appendix 11.1, I have no specific comments to make re flooding on this application.

I agree with the findings set out in the Environmental Statement Chapter 1: Appendix 1: EIA Scoping Report Annex G re other hazards.
